# BILLS GOLD CUTTER

Check out **Bills Gold Cutter**, a gorgeous buckskin stallion with the distinctive "bulldog" head of a Foundation Quarter Horse. He'll remind you of the original working cow horses of the Old West. He is smart, showy and has outstanding conformation. He's the Great Grandson of **Cutter Bill** and the Grandson of **Bill the Cutter**. This **AQHA/NFQHA** stud has produced top quality foals, so book him early for a 2006 breeding. **Go for the "Gold"!**
